What to Expect
for In-person Worship

In order to promote health and safety for all:

• Please arrive early to allow time to check in and have your temperature taken.
• Enter and exit the church building via the Main Entrance only - the large wooden doors facing Western Avenue. All other doors will be unavailable. Those with limited mobility may be dropped off on Western Avenue, close to the main entrance.
• Remember to wear a mask at all times.
• Sanitize your hands upon arrival at the stations provided.
• Maintain a distance of 6 feet or more between household groups.
• Refrain from singing and passing the peace.

Important items to keep in mind:

• Please use the restroom at home. Church restroom access will be limited.
• At first, we will not be distributing Holy Communion.
• All worship spaces will be professionally cleaned before and after worship.

If you have any symptoms of illness, please stay home. If you are in an at-risk category, we strongly commend to you our online worship options.

All Saints Church is following requirements and best practices provided by the Episcopal Diocese of Washington, the State of Maryland, Montgomery County, and the CDC. Thank you for your help as we strive to re-gather safely.
